Friday 13th March 2020

As we approach the weekend with an amount of uncertainty, I would like to reassure you that we are taking extra precautions to prevent the spread of the coronavirus.

However, we have also made preparations in case we have to close. All pupils are bringing home their home learning logins again. In the event that we do close, pupils will be given work packs and be able to access activities and simple lessons online posted by their teacher each day. Please ensure that we have up to date email addresses and telephone numbers.

I wish you all a happy and healthy weekend.

Miss Kondo

Creating meaningful traditions for your family

Rituals and traditions can help to bring even more joy and connection to your family. It helps to give your child(ren) a feeling of belonging and a sense of security.

How can parents help?

The key is to keep things simple, so that you can focus on what really matters. Here are a few ideas to hopefully inspire you to create your own, based on your values:

- Have a special date with each child scheduled regularly in the family diary. Keep a journal with ticket stubs, photos/drawings made together, etc

- Pick a day every year to take a photo of your child and/or family in the same spot and save them in a photobook

- Write a letter to your child on every birthday, sharing memories and special events from the previous year and hopes for the next

- Fill a gratitude jar with notes of things you are thankful for at the end of every day and read them all together on Sunday

- Have a special way of saying goodbye to each other using a special word or hand signs

Sometimes we could all do with someone to talk to. If you would like to meet Lia for a confidential and non-judgemental chat about you, your child or any other worries, she is available on Mondays 9-10am. To book an appointment, you can call/text Lia on 07469 701 260 or email her at younl206.307@lgflmail.net.
