Friday 13th March 2020

Dear parents, pupils, governors, staff and parishioners,

Alton Castle – Residential Trip Y6

If payments are by instalments the second one of £30 was due Friday 28th February.

Cross Country

Well done to Liam, Daniel and Isla who represented our school in Warwickshire County Finals on Wednesday. All three children finished with amazing results. We are incredibly proud of you all.

Log trail

The log trail at the bottom of the field is currently out of action. Can we ask that no children play on it at the end of the day when they are being picked up until we are able to get it repaired. Thank you.

School Lottery

Thank you to everyone who has signed up to our School Lottery. Our first draw was last Saturday. Well done to Mrs Husband our first winner. We are very close to our first target of selling 50 tickets. Please if you haven't joined yet consider signing up. Some people have signed up but haven't purchased tickets so please check if this is you as currently you are not in the draw. If we reach 50 tickets our prize fund will be maintained at £20 per week.

Before and After School Club

A plea from Mrs Daly and Mrs Chapman. The children are really enjoying jigsaw puzzles at the moment. If you have any jigsaws at home that have all of the pieces and are surplus to requirements we would welcome any donations for our Club. Thank you.

Mother's Day Assembly

On Friday 20th at 9am all parents/carers of children in Reception are invited to watch their assembly about Mother's Day.

Coronavirus (COVID-19)

Members of the public concerned about the coronavirus are advised to visit the NHS website (see website address below). The Government's website (link below) also provides up to date information on the coronavirus situation.

Members of the school community and the public in general are advised to follow basic hygiene procedures, as a precautionary measure, as set out on the NHS website.

Detailed information and advice for the public can be found on the NHS.uk website (and will be regularly updated):

<https://www.nhs.uk/conditions/coronavirus-covid-19/>

Further information for the public about the situation can be found here (and will be regularly updated):

<https://www.gov.uk/guidance/wuhan-novel-coronavirus-information-for-the-public>

The school is following this general advice, encouraging children to wash their hands. We are also mindful that children may be anxious about this health concern, so we are trying to offer them reassurances and put the situation into context.

There are currently no confirmed cases related to our school. Should we be made aware of any cases associated with our school, we would immediately seek advice from Public Health England.

As per the guidance children should only be kept away from school if they have symptoms themselves, have travelled back from an affected area or have come into contact with a person who has been confirmed as infected. Any decision to close the school would only be made following advice from Public Health England.
