Dear parents,

A letter was sent out today regarding the Coronavirus, please ensure that you have read the letter (a copy is also available on our school website) and you check our website for up to date information regarding the virus. We take advice from Public Health England regarding the measures the school must take. We endeavour to keep you updated via the school app and ask that you ensure this is up to date on your smart devices. The children are being reminded frequently about hand washing in school.

Our parent governor election forms were sent out yesterday. Thank you to the two candidates who have applied for this position. All returned ballot papers must be returned by Monday 23rd March.

We are trying to resolve the issues regarding the car parking, it is always difficult trying to park around the school, but please be mindful of the children and other parents crossing the road. Please do not stop on the zig-zag lines; even if only for your child to get out of the car, as this aids to the congestion and makes crossing the road more hazardous.

Well done to our year 5 children who visited Age concern this week, the elderly residents said how much you'd brightened up their day by playing games and chatting to them.

Well done to the children who participated in the rugby tournament yesterday. They played 8 games; won 2, drew 2 and lost 4 games. They came 18th out of 25 schools. A special mention to Sean who was captain and showed true school values throughout the whole tournament. He scored along with Amy, Lucas, Henry and Josh. Also a big thank you to Amalie and Rebecca who stepped in at the last minute to join the team and save our entry.

Next week: Hurstwod, Kemsley and Oakwood classes will be taking part in their next ICT/music/cooking day on Monday.

Hurstwood class will be learning new ICT skills, Kemsley class will be participating in music learning and the children in Oakwood will be cooking.

On Monday St Andrew's House have a tag day as they were the wining house for last term. All those children can come to school in their house colours.

On Tuesday St. Patrick's House may wear something green to celebrate St. Patrick's Day.

On Wednesday Kemsley and Hurstwood classes will participate in North Downs workshop activities in Bredhurst Woods.

Thursday is our Mother's Day Breakfast, followed by Kemsley Class Worship.

On Friday we will be holding our Music morning for the children who participate in extra-curricular music learning and in the afternoon FOBS will be holding the Mother's Day Gift Sale. Gifts will be on sale from £1—£3.50, please send your child's money in a named purse/wallet or envelope.

There will not be a Celebration Worship on Friday, this will take place on Monday 23rd March at 9.15a.m all welcome.

Best wishes
Mrs M Cox

Thank you for your donation towards the Sport Relief Tag Day we raised £96 towards this worthwhile cause.

We are also selling Marie Curie yellow daffodil pin badges towards Cancer Care for any donation. These will be on sale during March in the playground, office and Celebration Worship.

Next Friday FOBS will be holding a Mother's day Gift Sale in the afternoon and after school. Children can bring money in a named purse/wallet or envelope. Gifts range from £1—£3.50 They will also need a gift bag/tags stating who the gifts are for (mum, Auntie and Grandmother) Siblings will shop together for gifts to avoid duplicate buying.

Swimming permission slips went home yesterday. We are hoping to start swimming week beginning Monday 20th March. No child will be allowed to swim without the permission slip returned. We thank FOBS for subsidising the swimming this year as the pool is notoriously expensive to run. The swimming timetable will be sent home next term.

Robyn Taylor and Year 6 girls will be holding a hairdressing club during lunchtimes. All children are welcome but they do need to bring in their own hairbrushes and hair accessories. This will be held in Hurstwood class. Mindfulness colouring will also be available for the children to do whilst waiting.

(No Cutting of hair will be involved)
