

CAMBRIDGE PRIMARY SCHOOL

WEEKLY CATCH UP

Value of the Month— Hope

13th March 2020

Dear Parents, Carers and Children

This week, like everyone else, we have been talking about Coronavirus—Covid 19. The situation is changing on a daily basis and I am receiving daily updates regarding recommendations from the Department for Education and Cumbria County Council.

The advice **at the moment** is that schools are to remain open. We have no confirmed cases, nobody who has recently returned from any of the specifically designated locations and nobody who is showing symptoms.

As the recommendations yesterday changed to encourage people with even mild symptoms of Covid 19 (new continuous cough and/or high temperature) to stay in their homes for 7 days from when the symptoms started, I completely appreciate that this will have an impact on some pupils' attendance. Please inform school if this is the case.

As these recommendations could also have impact on staffing, please appreciate that there may be some changes to staffing and classes in school.

Please make sure that school has your most recent contact details, particularly mobile phones, so that we are able to contact you directly if there are any future changes.
