## Health and Relationship Education—Policy

Our new Health and Relationship Education Policy is currently being written based on the feedback received from parents through our surveys and workshops. It will be published online on the school website on Monday 23rd March along with a survey to collect your feedback on the policy. Your feedback has been invaluable throughout this process.

## Tik Tok

It has come to our attention that a number of our children across school are using the Tik Tok APP. Tik Tok is a video sharing App which has an age restriction of 13 years. Please can all parents ensure that they know what APPs your children are using and ensure that they are a suitable age. If you require any further information please see :

[www.nationalonlinesafety.com](http://www.nationalonlinesafety.com)

## Linking Schools Event

Our Year 4 class are currently taking part in a linking schools project with St. Thomas' Primary School in Newhey. This project is designed to get children from different parts of Rochdale together to share their experiences and celebrate their similarities and differences. On Thursday the children will visit St. Thomas' and they will return and visit us over the next term. This is a fantastic project that our school are really proud to be part of.

## Coronavirus Update

Brimrod Primary School are continuing to follow the advice given by the DFE and Public Health England to ensure that any risks are minimised. School will not be closed unless instructed by Public Health England and parents will be notified if there are any changes. Until then school will be open as normal. For further information please visit:

<https://www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public>

If your child has a fever or a persistent cough and you are concerned then please visit 111 online for advice.

## Lost Property

We have had a number of children recently that have lost items in school such as jumpers , hats and gloves. It is extremely difficult to keep track of 30 sets of clothes including coats, hats and scarves especially when they don't have names. Please can I ask that parents put names in everything that they send into school and talk to your child about making sure they look after their belongings. Thank you for your support!

## KS1 and Reception Film Night

Wednesday 18th March is film night for KS1 and Reception. This time the film the children will be watching is "Minions". Please ensure that you bring the form back with the money if you want your child to attend. Please ensure that you pick your child up on time at 5pm.

Thank you for your support!
