

Starlings Class Newsletter 13th March 2020

What have we learned this week?

What an exciting week... The chicks have arrived! It has been such a special learning opportunity for the children where they have observed and learnt about the life cycle of a hen. The children have been so excited to check on them every day and we just cannot wait to hold them next week!

This week a few of the children had told me, they spotted a giant whilst walking to school together. This led us into exploring the book 'Grandad's Secret Giant.' It is a wonderful story, teaching us about friendship, kindness and doing something special for somebody else. It also led us into a discussion about being unique. Our imaginary play involved building a home and feeding the giant. What a great week!

Photos of the week!
