

## Robins Class Newsletter 6<sup>th</sup> March 2020

### What have we learned this week?

We have loved welcoming our chicks to Robins class! We have watched them hatch with total awe and loved coming in to see how many had hatched! In Forest School we built waterproof dens (and all succeeded in the water test!), whittled sticks using vegetable peelers and toasted marshmallows! We have also loved learning about Holi Festival, exploring colour and how other religions celebrate.

In phonics, we recapped **igh** and **oa**, and have been practising the tricky words **I, no, go, to, the, he, she, we, be, me, was, my, you, all**. The children must learn to read these by sight so please practise these words at home by putting them around the house or on the fridge!

In Maths, we have continued our learning about 11, exploring time, sharing and doubling!

### Photo of the week

### Stars of the week

### Thought of the week

This week we read *Somebody Swallowed Stanley* and discussed how plastic pollution in the ocean can affect animals and wildlife. The children have had some fantastic ideas about how they can help the animals!

### Home Learning Challenge

Practice washing your hands for 20 seconds, making sure that you wash in between your fingers and the back of your hands!

### School Dates

**Wednesdays** – Forest School  
**Fri 20<sup>th</sup> March** – Open the Book  
**Thurs 26<sup>th</sup> March** – Salvation Army  
**Fri 20<sup>th</sup> March** – reports to parents  
**Fri 27<sup>th</sup> March 3.30-5.30pm** – Spring Fair  
**Fri 3<sup>rd</sup> April** – BREAK UP for Easter at 2pm

### Reminders

Please read with your child at home and write in their reading diary.

We are in the process of collecting items to create with on our woodwork bench. Please help us by collecting as many different lids as possible.

If you might be able to help out at the Spring Fair, please let our Friends of School know!
