Dear Parent/Guardian,

I am writing to offer your child the chance to take part in Scootsure Scooter training on Thursday 2nd April. Each session lasts approximately 45 minutes and 15 pupils can take part in each session. Therefore places will be allocated on a first come first served basis.

Scootsure is a playground based scooter training session mainly for pupils in Year 3 who use their scooters to get to school or pupils that would like to in the future. It is intended to not only improve safety but also to validate the scooter as a suitable method to travel to school in the eyes of the school community and local residents.

If you would like your child to participate, please copy the following link into your internet browser to complete the online consent form.

https://www.bromley.gov.uk/info/546/cycling_and_walking_to_school/1244/scootsure

Closing date for applications is Wednesday 18th March at 12pm. The survey will automatically close at this time or before if all 30 places are filled.

Please note that each child participating should have a suitable helmet and their own scooter. Sharing of equipment is not permitted. Please also ensure that pupils are dressed appropriately for the training, including sensible footwear as directed by your school.

Yours sincerely,

Joanna
