Dear Parents and Carers

Year 6 – Easter School (Selected Children Only)

Following a successful Easter School last year, we have decided to run Easter School again for some of our Year 6 pupils and your child has been selected to take part in this opportunity.

It will be a four day maths, reading and SPaG programme designed to develop mental maths strategies, problem solving skills and reading comprehension. Sessions will run from 9am to 12pm. There will be approximately 12 children in each group and will be taught by a Crofton class teacher on either the first week of the Easter Holidays (6 April to 9 April) or the second week (14 April to 17 April).

We really feel that your child will benefit from this learning opportunity and that it will help them increase in confidence and maximise their potential.

Please indicate below if you are interested in this and which week your child would be able to attend. I would appreciate if you could let me know as soon as possible so we can arrange the classes.

Yours sincerely

Susie Sargent
Headteacher
