

18th March 2020

Dear Parents/Carers,

Re: Coronavirus (COVID – 19) Update for West Acton

Firstly, I must say a huge thank you to my fantastic team of staff who have kept our school open and running smoothly this week.

I also want to thank our children who have come into school amidst a turbulence that is both confusing and quite scary for them. I am so proud of everyone.

We are grateful to you all, who are working with us and trusted us at this unprecedentedly difficult time.

The Prime Minister has just announced that schools in England will close on Friday 20th March until further notice.

We intend to remain open tomorrow and on Friday - if your children are well and do not need to self-isolate please send them to school as usual. If this changes we will inform you.

Please refer to my previous letters for guidance on absence and the need to self-isolate.

A school closure is not ideal for anyone and will be a learning experience for us all. We will keep you updated of online learning opportunities and activities to support your child during the period that we are closed.

Yours faithfully,

Karen Kondo

Head teacher
