Website Access

Dear Parents and Carers,

In light of government guidance regarding school's closures, we are working hard to ensure the education of children at St. Michael's continues. To do this, we will be using learning websites, where daily work will be set for children to complete. We will be releasing a new website, where children access their daily work: information about this will be sent to you by Friday 20th March.

As well as our new website, we will be setting children work on the following websites:

- Oxford Reading Buddy
- Timestable Rockstars
- Spellodrome

In order to ensure all children can access these websites, please visit www.stmich21.bham.sch.uk to click on the links on the schools homepage to test if your child's logins work (see below).

All logins can be found in the front of your child's school planner.

Please be rest assured that teachers will continue to ensure your child's education will continue and we are investigating ways in which children can submit work and we can provide feedback. We will be checking children's learning on these websites and providing feedback where needed.

Further communication will be sent out to you regarding school closure and provision for children of key workers in due course when we have received further guidance from the government.

Yours sincerely,

Mr. Rogers
Deputy Head of School
