Thursday 19<sup>th</sup> March

Dear parents,

**Which children can come to school?**

Could you please let school know as a matter of urgency if you work in the following professions?

- NHS
- Armed Forces
- Teachers and Childcare Staff
- Care home workers
- Social Workers
- Police and community support
- Prison officer and probation
- Firefighters
- Local Authority planner
- Environmental health
- Highway Agency traffic officer

These are the **key workers** as identified by the government. School will be providing a care service for children of these workers in addition to children who have a social worker and children with an Education, Health Care Plan (EHCP).

**Please phone or email the school as soon as you can - contact details above.**

School will be providing work for all children - this will be brought home by children currently at school and for those already at home, we will be arranging collection and / or drop offs - details to follow. **Please be patient with us.** We promise to share information as soon as we get it.

Take care of each other!

Mrs G Bowser

**Headteacher**
