19th March 2020
School Closure

Dear Parent/ Carer

Following the announcement from the Government yesterday evening I can confirm that school will be closing from the end of school on Friday 20th March, for most children. These children will begin home learning, with links available on the website and updates on the School Jotter.

It is now vital that any of our parents who are key workers or NHS employees, and need to send their children to school, please email me as soon as possible on the following email: head@thornhilllees.com. This will allow me to plan ahead in these difficult times.

My email will remain open for anyone to use during the time of closure. Please do not hesitate to contact me.

Thank you for your support and stay safe,

Mrs Debbie Douglas
