Dear Parents & Carers

Following the announcement yesterday of national school closures, I have to inform you that our school will close at 3.15pm tomorrow Friday 20<sup>th</sup> March.

As I am sure you are aware, this closure may last for some time and will be a new and challenging experience for all of us.

The Prime Minister stated that some children may be able to attend school after tomorrow, for daily care rather than education, in order for parents to continue their role as key workers. It is almost 3.00pm as I write this, and the promised list of key workers has still not been published, so I am unable to confirm any entitlement to one of these places. It is apparent however, that both parents would need to be engaged in key roles and therefore unable to provide care at home for their child.

I will update you all in a further letter tomorrow.

In the meantime, I have attached a list of services distributed by the Local Authority earlier today should you be looking for additional support.

As always, if you need a chat about anything at all, please let me know.

Geoff Wharton
