Friday 20th March 2020

Dear All

I do not know what to say about the current situation. Many thanks to those who have expressed their thanks to my staff and myself at this time. I am praying that the school year will resume in June. In the meantime, I am here via email to speak to anyone in need, please email into the school office at any time and I shall try to respond within 24 hours. We also have our targeted services support manager Simon Toyne **078912 77735/ 0113 378 2110**. I am sure Fr John will also be on the end of the phone or an email, and he may be able to direct any families in need to the SVP or Catholic Care for support. Please encourage your child to keep up with their learning – it will keep them occupied and in a routine. God bless and take care – look after each other – all my love *Diane Todd*

In the event of a long period of closure, we will be setting each year group a project. There are a myriad of resources on the internet. We would suggest that pupils do Symphony maths and lexia if they have it as well as Times table rockstars for the older children.

If you take a look at our website, go to 'More', then 'News and Events', and then 'Home Learning', we have added a lot of other resources on there too.

SAFERSCHOOLS APP

Please make sure you have signed up for our Saferschools app to get the latest information, advice and alerts about what is and is not safe for your child to access on line. Please do regularly check that your child is not using social media platforms that could put them into potentially harmful situations. A reminder that the code for parents is 7440 and the code for children is 9342.

FRIENDS OF Ss. PETER & PAUL

Thank you to everyone that visited our Mothers Day shops! We raised a fantastic £351.80!
