Dear Parents and Carers,

As you are well aware our school will be closed to a large number of our pupils until further notice. **Government guidance outlines if children can stay safely at home, they should to limit the chance of the virus spreading.** School will only be open for key worker families who have already been informed.

We would like to ensure that the children's education is not significantly impacted during this unprecedented situation. Therefore, we would like to signpost you to our school website, facebook page and have already ensured every child has a home learning pack with webpage links and exciting activities that can be completed at home. If you are unable to access the internet, we have included lots of topic based project ideas that can be created and enjoyed.

We advise that you check our school website and we will continue to send updates via school comms emails and text messages. Staff will continue to access emails and the school office will remain open should you need to get in touch. If you have ordered a school lunch I look forward to seeing you briefly on Monday.

Take care of yourselves and your families.

Best wishes
Mrs T Manning
