Dear parents,

I am writing a very shortened version of our usual newsletter in light of the unusual situation we have found ourselves in as a nation.

The children have been their normal, amazing selves and have adapted to and accepted the strange situation with maturity. We have been so impressed with them and with the whole school community during this difficult time.

Our school will continue to be open to the children of key workers, but please do remember that the government advice is to only send your child to school if you absolutely need to.

May I remind you the children in school will have access to exactly the same learning as the children accessing the learning from home.

If circumstances regarding school opening change we will notify you by the school website and via the school app.

All our current planned events will be postponed until we return to school—we will celebrate our May Day in June, July or even September if need be, and will do all we can to ensure our children (particularly our year 6 pupils) do not miss out on the usual school experiences.

This is a challenging time for all of us, I know we will pull together as a community to do all we can to aid the Government in fighting the coronavirus.

Stay Safe

Best wishes  
Mrs M Cox
