## **Newsletter 20.3.20**

Do we send a newsletter or not?

Answer to this is yes, it wouldn't be right not to do so on a Friday!

It is with a somewhat heavy heart, as this may be the last one for some time.

We just don't know.

***'Sometimes there is nothing you can do but let it rain and  
wait for the sunshine'***

The government have announced that all schools in England will close their gates on Friday and remain closed until further notice. The government have today made recommendations for schools to remain open for children of **critical workers** and vulnerable children.

If your child does access this service the same safeguarding will be put in place:

- Children should stay at home if they are unwell with a new, cough or a fever
- If staff, young people or children become unwell on site with a new, continuous cough or a high temperature they will be sent home.
- Should you or your child start with symptoms of a continuous cough or fever the whole household need to self-isolate for 14 days therefore all children in that particular family group will not be allowed in school regardless of whether children fall into the vulnerable category.

Please look after yourselves and stay safe.

As a country, we all need to do what we can to reduce the spread of the COVID-19 virus. That is why we have been given clear guidance on self-isolation and social distancing.

Please follow this advice.

Please do not hesitate to contact us via text, telephone or email.
