Thank you for considering West Acton Primary School for the next step in your career or your first teaching adventure. West Acton Primary School is a multicultural, diverse three form entry primary school with an Additionally Resourced Provision for children with ASD/Social Communication Difficulties.

For September, we are looking for dynamic, committed teachers who are passionate about improving the education of children at our school and working as part of our team. In particular, we are keen to hear from candidates who wish to work in EYFS and Upper KS2.

TLRs may be available for exceptional candidates who are able to lead a year group in Upper KS2 (requires at least 4 years’ teaching experience); or a phase in KS2 (requires at least 5 years’ teaching experience and the ability to demonstrate previous leadership impact). UPS teachers must be able to fulfil the school’s policy of being role model practitioners and making a sustained and substantial contribution to the school. Currently our UPS teachers lead a subject, an ongoing project or a whole school development area. Should you wish to be considered for a TLR or you are a UPS teacher please include separate information about this in your application statement.

Visits to the school are greatly encouraged; if you would like to arrange please email hr@west-acton.ealing.sch.uk

Application packs can be downloaded from the school website at https://www.westactonprimaryschool.org/learning-and-teaching/vacancies. Please email all completed applications to hr@west-acton.ealing.sch.uk. The school is committed to safeguarding and promoting the welfare of children and young people and the successful applicant will be required to apply for an enhanced disclosure from the Disclosure and Barring Service. Further information can be found at www.homeoffice.gov.uk/dbs

I look forward to meeting you and showing you around our fantastic school.

Yours faithfully,

Karen Kondo
