

Class Dojo

Over the next few weeks, we shall be making use of Class Dojo in order to share work and communicate with parents and students. Please bear with us as we upload content throughout this week.

All classes have been set up on the system and now it is your turn to set up your own parent account in order to access. **Once you have signed up as a parent, we will set your child up with an account and link you to it. Please note that by signing up as a parent, you are giving permission for us to create your child's account – please take note of the Class Dojo privacy notices when signing up.**

To create your parent account:

1. Visit: <https://www.classdojo.com/>
2. Select 'Log in' in the top right hand corner
3. Select 'Parent'
4. Select 'Sign up' at the bottom of the pop up screen
5. Select 'Parent'
6. In the 'Don't have a code' box, select 'Sign up'
7. Enter your details (*Please take note of the privacy policy here. Please note, data is stored on American servers due to the service being provided by an American based company*)
8. Read the next 4 help screens
9. Select 'Done'
10. On the next pop-up, to select your child's teacher, select 'Search for your child's teacher'
11. In the search box, type in 'Barby'
12. Select 'Barby Church of England' (Please ensure this has our school address of Daventry Road, Rugby)
13. Select your child's class teacher (*Children have been set up in year groups. Year 3 & 4 children will need to select Miss Wilby and children in Year 5 & 6 will need to select Mr Davidson. If Mr. Davidson does not appear, please select Mr Dainty*)
14. Enter your child's name (*this is purely to inform the class teacher of who's parent you are for them to create your child's account*)
15. Select 'Request to connect'
16. Click 'OK'
17. Choose if you would like to agree to emails or not
18. Wait for your child's class teacher to connect you

Once your child's class teacher has connected you and created your child's account, you will then be able to view the content that the teacher has shared.

Your child's login will then be sent to you through the messaging facility on Class Dojo. This will be sent as a QR code. You may need to take another photo of this QR code, or print it, to use when you login. If you have any issues, please message your child's class teacher or email the enquiries line at enquiries@barby.northants.sch.uk
