Monday 23<sup>rd</sup> March 2020

### **Inspire Primary Schools from Monday 23<sup>rd</sup> March**

Dear Parents/ Carers,

This letter will provide you with updated information, if your child has been identified as being able to access our childcare provision whilst schools are closed for normal business.

From today we are offering those qualifying parents/carers (as per government guidelines), childcare provision in our schools during the following hours each weekday.

#### **Stockingford Academy - 8:00am to 4:00pm**

Please note, the Department for Education states: 'if your work is not critical, please keep your child at home.' There is no expectation that your children attend school on a full time basis. We would very much appreciate it if you could keep us informed in order that we can plan staffing.

#### **Start time/ Finish time**

Please enter the school site via the main school entrance on Cross Street. Please make your way around the side of the building and drop off / collections will be from Arbury Hall.

Please do not attempt to come through the school buildings.

School is open from 8am which will include a breakfast provision. If you do not require this then children should arrive at 8:45am as normal. School will close at 4:00pm, so all children must be collected by this time as there is no further wrap around service. If you want to collect your child earlier than 4:00pm, please just let a member of staff know when you drop them off in the morning.

#### **Lunch Provision for those attending school**

Children who are currently in the EYFS and KS1 will still be entitled to their Universal Free School Meals. For pupils in KS2, who are eligible for free school meals, this will also be provided. If your child is attending school but you don't qualify for the above, you can still pay for a school meal in the usual way. For everyone else, they will need to bring in packed lunches.

Families whose children are not in school from next week, and therefore qualify for our weekly £15 food voucher, will be contacted by your schools Pastoral Manager on Monday or Tuesday next week. If you haven't been contact by then, please assume you haven't qualified at this point.

#### **Home Learning**

For those children who will still be at home, Home Learning packs have been provided which should have enough work in for at least the first week at home. If you still have not received your packs please come and collect them from the school office by Wednesday next week. Information on

Class Dojo/ Tapestry has been sent home this week. We want to use these online portals to support your children with their learning from home in the coming weeks. (The frequency of online learning will be published in due course.) Please check Class Dojo and Tapestry regularly for any updates.

**Dress code**

For children who are still attending school, we would like them to come in their school uniform as usual.

Thank you again for your help, support and kind words in these unprecedented times.
