Together we reach for our personal best

25th March 2020

Dear Parents/Carers

Further to our letter this morning with regard to being offered a food pack. We have been informed by the Local Authority that these packs will only be available for children on Free School Meals and not for children on Universal Infant Free School Meals.

If your child is entitled to free school meal please send an email to the office and place your request. I apologise for any of you that have sent a request who are universal infant free school meals – we will not be able to provide you with a food pack.

For anyone really struggling the school does have limited food bank vouchers. Please call the office if you would like one of these. These will be distributed at our discretion due to the limited number we have.

Please let us know by email office@newtons.havering.sch.uk or call the school office 01708 558613 if you will require a pack and for how many children who attend Newtons are in your family who are entitled to free school meals. Orders must be placed by midday on Friday 27th March 2020. If you do not order by this time you will not be able to collect a pack.

As always thank you for your co-operation.

Keep safe and take care.

Best wishes.

U Connolly
