Dear Parents,

At this unusual time we hope that all our families are safe and well.

Please follow the Government advice to stay at home and do everything you can to ensure children are not mixing socially in a way which could continue to spread the virus. We have noticed a number of children playing out around school and would like to remind you that children should observe the same social distancing principles as adults. If we all do this then we will be able to get back to normal in the shortest time possible.

For those of you that did not receive homeworking packs before school closed, information is available on our website on the class pages. Please do not feel you have to stick to the ideas we have suggested, whatever you do with your children will be valuable and worthwhile.

We have now placed our order for Free School Meal Vouchers. If you are entitled to income-based Free School Meals (**not** Universal Infant Free School Meals, which all children in Reception, Year 1 and Year 2 receive) you should receive a text soon asking you which supermarket you would like to use and this will be followed by a text with a link to access your vouchers. We can't guarantee when you will receive the vouchers yet but it should be in the next couple of days.

We look forward to welcoming everyone back to school again as soon as possible.

Take care,

Mrs. S. Fisher
Headteacher
