

Dear Parents you are now our team of temporary teachers,
So welcome to the staff team!

I have been communicating with my Staff to get feedback on how this unique challenge has gone this week. The feedback from the teachers is that you are all doing an outstanding job!
So well done to you all, you have really embraced this challenge and put your children's learning at the forefront of daily life and for this we all salute you!

Our advice at this point is to keep following our weekly posts on seesaw, or if you didn't sign up, all the weekly work is on the school website www.holyev.co.uk
Mrs McEntee is busy adding the year group's work each Friday, so thanks to her for doing this extra work on our behalf.

I am aware of parents from other schools also using our website, as their own schools have not given them this type of weekly progressive learning, so well done to my teachers, who have surpassed themselves in terms of organisation, planning and pastoral care towards our children, I am so proud of each and everyone of my team.

We are in this together and it is vital we keep the momentum going for as long as it takes, we promise when this is over, you will all get a well deserved break!!!

Please keep asking the teachers for advice, sharing your photos for Facebook, as these keep us all engaged and on task.

I will continue to post your photos to keep everyone entertained, but only twice per week, so I don't distract you all during the teaching day!

I will also add my weekly news-report to keep in contact with the children, I don't want them to forget who I am, so the video with Miss McDonagh's help, will go onto Facebook and the school website every Monday.

Let your child's teacher know if there is anything we can do to improve communication during the weeks and months ahead and we will try our best to take on your suggestions.

So well done one and all, we are so proud to have you onboard and our children are so blessed to have such caring, dedicated and able home/school teachers!

Have a lie in tomorrow because you deserve it!

Claire Robinson
