Some ideas for looking after yourselves

Keep Moving – children can become bored and frustrated when they are not physically active. You could:

Set up an obstacle course in your garden, or.................

9.30 each day there is PE live with Joe Wicks at
https://www.youtube.com/channel/UCAxW1XT0iEJo0TYlRfn6rYQ

More dice games:
Write numerals 1-6, either on paper and attach to a wall or with chalk outside. Roll the dice, run and tap the numeral as fast as you can! Try not to count the spots each time, does your child recognise the pattern without counting?

Race to Fill – roll the dice, put small objects in to a cup. Who can fill their cup first?

Literacy

Continue doing your book activities. Maybe choose a different story each week.

Make up your own story and get a grown up to write it down in your book.

Can you think of a title for your story? Can you draw an illustration?

Listen to a story online at:
https://stories.audible.com

Owls Nursery

30th March

Understanding the World

Go for a walk if you can, or in to your garden and look for signs of Spring.

Can you see blossom on the trees?

Can you see any daffodils?

Are the leaves starting to grow back on the trees?

What is the weather like?

Practice some of your Spring poems from the Poetry Basket.

Art and Craft and Being Imaginative

Play with your toys – can you make up a story with them?

Try acting your story out together like we do in helicopter stories.
