How to make a sandwich.

Do you like going on picnics? Do you like to eat with your friends? Making sandwiches is a fun, simple thing to do. Read these instructions and you will be able to make a lunch to share with your friends.

*List of tools needed*

**What you need:** a plate, bread, butter, a knife and fillings such as jam, ham or cheese.

*Instructions*

What you do:

- First, cut two slices of bread carefully.
- Next, spread the bread with butter slowly.
- After that, put your filling on one slice of bread. Cheese is tasty but you can use any filling you like.
- Then place the second slice of bread on top.
- Finally, cut your sandwich in half and quickly eat it.

*Ending*

Your sandwich is ready to eat. You can make lots of sandwiches if you are having a picnic or party with your friends. Try different fillings. Enjoy your lunch!
