**Friday 27th March 2020**

Thank goodness we have had the glorious weather this week whilst school has been closed and I hope that you have been making the most of your one daily outing for exercise this week. We are posting work and messages for the children daily - you do not need a log in to access this work. I will send the link again by text in case you haven’t yet seen it. Please complete this at a pace that is most suitable for your family. This week a small group of pupils and staff have been onsite and despite what is happening around us, they have all been very well behaved and enjoyed a range of crafting and sporting activities together.

Please continue to follow the government advice and stay safe.  

**Message to Year 6 Parents/Carers**

I am currently contacting high schools to find out about their transition arrangements in light of school closures. We are also contacting PGL regarding the residential trip. I will keep you updated.

Please reassure the children whatever happens we will celebrate their time primary school years at West Acton, even if differently to how we would have planned.

I would also like to remind you that children should not be going out without an adult at the time – the Police are now patrolling this.

**Parents/Carers entitled to Free School Meals**

We have been working on the very best way to provide you with your entitlement to FSM and will be contacting you next week.

Thank you for your patience during this difficult time.

**Follow us on Twitter**

West Acton Primary School  
@westactonpri

Keep up to date via our website [https://www.westactonprimaryschool.org/](https://www.westactonprimaryschool.org/)

**We are always looking how best to keep in touch with you. During this school closure we have started a Facebook page. This is for us to post information – we will not allow comments. This is our official facebook page.**

We will be adhering to our Safeguarding, Online Safety, Anti-bullying, Twitter and Behaviour of Parents, Carers and visitors polices whilst using Facebook and expect these to be upheld by all who use it.
**THESE ARE NOT OUR OFFICIAL FACEBOOK PAGES.**

Unfortunately there are already two Facebook pages entitled West Acton Primary School. Despite several attempts we have not been successful in getting these removed or the names changed.

If you are part of one of these pages then please could you contact the admin (or let me know) and ask them to change their name to match what they are e.g. Alumni, Friends of etc and remove the school details. Thank you.

---

**Thank you to parents/carers who have been communicating with us this week via admin@west-acton.ealing.sch.uk**

Thank you all the teachers and staff for working nonstop and support our children. We feel very lucky to be part of West Acton Primary School.

My child eagerly studies, doing exercises and wants to hear new messages from you.

One of our lovely pupils has Williams Syndrome and has her own Instagram page:

---

Here are a couple of funny memes that we’ve come across this week that you might want to include in the Friday newsletter. They highlight all the hard work that our teachers do, and we definitely appreciate it!
