

Hello Reception!

I hope this finds you happy and well. We are all missing you very much and hope you are having lots of fun with your home learning tasks. It has been lovely to see the work you have been doing on twitter, Tapestry and through the school email, please keep them coming!

Just a quick reminder of the tasks set this week:

- Please continue to access Active Learn there are so many fantastic books on there.
- Practise your tricky word spellings- why not try putting the words into a sentence? You could get a family member to hide them around the house and see if you can be a 'Tricky Word Detective'.
- We have loved seeing your story maps they are amazing, can you draw a map of a story you have read this week and ask a grown up to send us a photo on Tapestry or Twitter.
- Use your number cards to make number lines from 1-10/1-20. Can you get a family member to hide some of the numbers? Which numbers are missing?
- Learning Conversation: Why not write a sentence about an act of kindness you have undertaken? Why did you choose to do it? Have you got any pictures you can share?

We will be in touch in the next few days with some creative and fun Easter activities. Take care and stay safe.

Mrs Bissett and Mrs Bush
