CEO: Mrs L Whitehouse

Head of Education Primary: Mr R Darling

Thursday 2nd April 2020

Dear Parents and Carers,

HOME LEARNING PROJECTS - UPDATE

We have had some really positive and useful feedback on our Home Learning projects - thank you so much if you have emailed your thoughts to us. Over the Easter holiday period there will be a slight change to the resources being sent out. We will only be sending one Home Learning Project sheet out each week per Phase (EYFS, KS1, Lower KS2 and Upper KS2). The idea is to support you keeping your children productively busy with some fun activities during this challenging period. There is no expectation around how much, if any of the activities that should be completed.

During the Easter holiday period Saturday, **4th April - Sunday 19th April Stockingford** or **Friday 10th April - Sunday 26th April Coventry Primaries**, class teachers will not be giving feedback on these projects/ activities and won't be responding to messages posted on Class Dojo.

We thank you for your continued support.

Best wishes,

A handwritten signature in black ink that reads 'R. Darling'. The signature is written in a cursive style with a large, sweeping loop at the end.

Rob Darling
Head of Education - Primary
