### MESSAGE FROM MRS PEARSON

As we reach the end of our second week of home-learning, and what would have been the end of the Spring term, I continue to be amazed and humbled at the efforts being shown across our families in dealing with this situation. Do please keep sending in photos of your work.

Our phone calls to each family have revealed many wonderful methods of keeping the children enthused and active (and bribed); we are humbled by your efforts. And thank you for your many kind words in support for the school staff who continue to open school for our critical workers children. This will of course continue for as long as is required.

**Book Exchanges.** If you have finished your reading books and want them exchanging please put the books in your book bags (which are named and waterproof) and drop them off in our 'return box' at school. This can be incorporated into your physical exercise routine. We do need your books back so we can rotate them after the books have been in a period of isolation. We will then be in touch to arrange the drop-off of new reading books.

**Send us an email, let us know what you need,  
we will endeavour to sort it.**

## HAPPY BIRTHDAY

Happy Birthday to Elysia Langstaff, Alex Bovington, Theo Ryan-Cole, Ellie Chipchase, Kaitlin Ginn and Bradley Allen who have celebrated their birthday since we have been in COVID closedown.

### 'Take Hart - The Gallery'

Some of our families may remember Tony Hart's TV series 'Take Hart' during which he showed work by children which had been sent to him. We are going to steal his idea, and, having received the parents' permission, show off some of their work.
