# Anlaby Primary School

*'Ambitious, Proud, Successful'*

### This Week's Data Whole School Attendance

95% - Satisfactory  
Well done to Sharratt,  
who had an attendance  
of 98% and Rowling  
who had an attendance  
of 98%.

They will get an extra  
five minutes playtime.

This week's winners of  
the Anlabee Challenge  
were the **Green Team**.

**The overall winners  
for last half term were  
the Yellow Team.**

## NEWSLETTER 8<sup>th</sup> November 2019

### This Week

Simmons have been introduced to Numicon which is a brilliant way for them to learn how to count.

Inkpen and Rosen have been looking at different solid shapes and have been making them out of art straws. They have been getting to grips with the first steps in reading.

Sharratt and Donaldson have been sorting animals in to groups of omnivores, carnivores and herbivores. They have learnt the story of the *Three Little Pigs* and drawn a picture of a lion, trying to look closely at the details.

Potter and Ahlberg have started their new topic with a trip the Cave Castle in South Cave. They looked at towers and turrets and then made their own from spaghetti and marshmallows.

Murphy and Dahl have been building earthquake shelters as part of their new topic *Tremors*. In French they have been recapping on the alphabet and numbers to 10.

Morpurgo and Kinney had a fantastic trip to The Deep when they explored the underwater world and made some fantastic sketches both on the trip and back at school.

Hergé and Walliams have started their new *Alchemy Island* topic by having to solve a riddle. They have done Remembrance Day art and started to look at reversible and irreversible changes in science.

Shakespeare and Rowling have been re-writing chapters from *Good Night Mr Tom* and really showing off their writing skills. In Science they have started to study light by looking at refraction.

### Odd Socks Day

Next week is National Anti-Bullying week and we will be doing a range of activities to highlight issues that children may face and what they can do to help themselves and others.

As part of the week, there will be a whole school assembly on Monday led by Mrs Hall. The following day, Tuesday 12<sup>th</sup> November, is Odd Socks Day. We encourage all children and staff to come in odd socks to show that we can all be different and can all expect respect.

The brightest, boldest and oddest socks are to be encouraged!

### Sainsbury's Disney Cards

A big thank you to the parents who gave up their time to sell Sainsbury's Disney Cards on the playground before half term.

Due to all that hard work the school received £381.70 for the school fund and the children had a great time collecting and swapping them to complete their collections.

### Scooters

We had an incident the other day when a parent was hit by a child swinging a scooter around on the playground before school.

Please remind your children to use their scooters and bikes responsibly so we have no more incidents.

Thank you.

### Lunch Menu W/C: 11<sup>th</sup> November 2019

		Fruit or Yogurt		

View from the Classroom Floor

Welcome back we hope you all had a restful half term holiday and had some fun on Bonfire Night. It seems a long way off at the moment but Christmas is on the way!

Lots of classes have started new topics this half term and are looking forward to learning such interesting topics as;

*The Blue Abyss  
Towers, Tunnels and  
Turrets  
Alchemy Island  
Tremors  
The Enchanted  
Woodland*

There will be lots of exciting things to learn.

Have a great weekend.

Betsy, Sophie, Honey, Lily and Joseph.

PE

We have now had a full half term or our new arrangements for PE.

From a school point of view it is working very well and the fact the children are already in their PE kit at the start of the afternoon means the lessons can start straight away.

It would be interesting to get your thoughts on it. If you could fill in the slip below to let us know that would be great.

Dates for your Diary

Thursday – KS1 Celebration Assembly 9am. Invitations sent on Wednesday.  
Friday – KS2 Celebration Assembly 9am. Invitations sent on Thursday.  
Tuesday 12<sup>th</sup> November – Odd Socks Day

Thursday 19<sup>th</sup> December – Christmas Lunch  
Friday 20<sup>th</sup> December – KS2 Church Service  
Friday 20<sup>th</sup> December – Christmas Holidays

Team Ahlberg Dawali Assembly

Good. The children did a great job. Well done everyone.

An amazing assembly. The children did so well.

I didn't know anything about Dawali before today!

It was very informative.

The children did really well. So much information about Dawali. You all should be very proud of your performance.

That was really good. Thank you.

What an amazing performance!!! Thank you so much team Ahlberg.

The Hive Out of School Club

This week we have experimented with how different resources and techniques can be combined to create bonfire and firework artwork. We discovered that painting with forks and blow painting with straws were very effective.

We have also learnt about the colours of different poppies and what they represent, such as the purple poppy to remember all the animals lost at war.

The children have also enjoyed digging for fossils, playing chess, and creating information books on their favourite Disney characters.

Our table tennis champion of the week is Millie for always trying her best and for helping others learn how to play.
