NEWSLETTER 17th January 2020

This Week

Inspired by the book *We're Going on a Bear Hunt* the children in Simmons, Inkpen and Rosen have been on a bear hunt! They explored the school field and found clues that bears are living at the bottom of the field! Take care when collecting your children!

Sharratt and Donaldson have been exploring animals' teeth to see if they could work out what they eat. They also explored the life of Mary Anning who was one of the first fossil hunters.

Potter and Ahlberg have been comparing old and new houses and made some old houses from wattle and daub. In English they have been writing alternative versions of the *Three Little Pigs*.

Murphy and Dahl have been developing their map skills by exploring Green in the atlases and using a range of geographical vocabulary.

Morpurgo and Kinney have been using their shields to carry out battle re-enactments of Roman formations and testing the strength of their shields against a bean bag!

Hergé and Walliams have been completed their biographies of Tutankhamun. In maths they have been working on fractions and Mrs Grout has found time to start a Y5/6 art club.

Shakespeare and Rowling have been working really hard practising some SATs paper. They are getting better and better each week and are really challenging themselves to beat themselves. Well done Y6 keep up the good work. Revision packs will be coming home soon and you can try to

KS1 SATs Meeting

Mrs Richards and Mrs Stephenson hosted a very informative SATs meeting for Year 2 parents.

There was lots of information about the tests the children will be taking and also ideas for how you can help your children with them.

If you were unable to attend and would like some information please ask Mrs Richards or Miss Newton and they will be able to give you information and advice.

If you can't get in, one of the best pieces of advice is to hear your children read as many books as you can of different types and ask them questions about what they have read. For Maths get them on to Mathletics.

Year 6 SATs Meeting

Year 6 parents are invited to the Year 6 SATs meeting next Wednesday at 5:30pm. You will find out about the tests for Y6 and the ways in which you can help.

Swimming Gala

Mr Chattaway and Mrs Allen took 12 of our Year 5/6 children to Haltemprice Sports Centre to compete in the local cluster Swimming Gala.

It was an exciting morning's swimming and we managed to win a number of events.

Overall as a team we managed to finish 4th out of nine teams.

Well done to all who took part.

View from the Classroom Floor

This week Y3 have been using their French knowledge of animals and French colours to make monsters.

Year 6 have been work especially hard on their SATs practice. Well done to everybody. They have also been composing rhythms to match their pulse and using crotchets, quavers and semi-quavers.

Year 5 have been working there socks off in fractions which can be a challenge. They have written a biography of the boy king Tutankhamun.

Year 2 have been building old and modern houses and finding out about different materials.

Keep up the good work!

Have a great weekend.

Honey, Lola, Joe, Sophie B and Betsy.

What the children think – We're Going on a Bear Hunt!

We saw some bear footprints!

Bears can climb and we saw some scratches on a tree.

The bear pooped in the playground and we had some tweezers and used them to see what the bear had been eating.

We went on the school field and we saw some bear paw prints and some poo!

Bears use trees to scratch on and we could see where they had done it.

We think Mrs Oliver did it! – I don't think this can be the case! We need to watch out for those bears Mr May!

The Hive Out of School Club

Everyone at The Hive would like to say a big thank you for the donations of wool. We have all been extremely busy this week looming our snuggle pouches and crocheting blankets for the injured animals in Australia. Everyone from Year 6 to FS 1 has been lending a hand.

We have also made papier-mâché bear caves, tried to master the cat's cradle, learnt about Chinese New Year and designed dragon masks.

Congratulations to Mrs Emanuel's team as they continued their winning streak on our monthly quiz night.

Booking forms are going out for exciting February half term next week.
