

East Riding of Yorkshire Council

Anlaby Primary School

'Ambitious, Proud, Successful'

This Week's Data
Whole School
Attendance

95% - Requires
Improvement

Well done to Potter,
who had an attendance
of 99% and Rowling
who had an attendance
of 99%.

They will get an extra
five minutes playtime.

This week's winners of
the Anlabee Challenge
were **Team Johnson**
(the **Green Team**).

The Barrier

We have had a number
of parents who have
been 'chancing it' by
driving through the
barrier when it has
been opened by a
member of staff.

This is very dangerous
and could cause
damage to your car. We
are trying to work with
the Children's Centre to
find solutions to the car
parking issue but we
cannot contemplate
letting parents back on
the site if we continue
to have dangerous
driving.

This Week

Simmons have been having great fun learning how the BeeBots work and trying to programme them to move around the room.

Inkpen and Rosen have also had the Beebots out and have been using them to estimate and understand mathematical concepts such as how many more.

Sharratt and Donaldson have started their new topic 'Superheroes' and have been acting out and re-telling the story of 'How to Save a Superhero'.

Potter and Ahlberg were fascinated when Zoolabs came in and showed them a range of interesting creatures and even allowed them to handle some! They have also been studying snails and started work on their new class book 'The Snail and the Whale'.

Murphy and Dahl have been finding out all about Roald Dahl his life story and the books he wrote. They have also started on their new topic 'Scrumdiddlyumptious' which is all about food.

Morpurgo and Kinney have been walking around the school listening to see what they can hear. It is all part of their science project on sound. I am sure they heard lots of scratching of heads and thinking sounds!

Hergé and Walliams have been using all the research they have carried out into Egyptian occupations to write a non-chronological report about life in Ancient Egypt.

Shakespeare and Rowling have learnt how to play pok-a-tok and make guacamole. In their writing they have been imagining themselves as Spanish conquistadors.

The Hive Out of School
Club

We have had a very busy first week back at The Hive. Our pancake tossing competition was so much fun. Our winners were Edith and Rosa for KS1 and Leo and Poppy for KS2. Leo managed 300 tosses of his pancake which was 161 more tosses than our winning staff member Mrs Emanuel who reached 139.

We have also enjoyed playing Twister, Scrabble, making finger puppets, loom knitting, painting galaxies, playing bingo and learning how to plait hair on the fantastic unicorns we designed.

We have a fabulous Easter Holidays planned and are now accepting bookings.

For further details please email thehiveanlaby@gmail.com

Have a great weekend.

Miss Stanley

Lunch Menu W/C: 2nd March 2020

View from the Classroom Floor

This week we have been doing some amazing work about the Mayan civilization. Did you know in Mayan society the bigger your headdress the more important you were?

This week Year 2 have been doing some snail art with water paint. Year 5 have been making characters on the computers using Scratch.

Honey, Lola, Joe, Sophie B and Betsy.

Dates for your Diary

Friday 9am each week – New Whole School Celebration Assembly. Look out for your text invite on a Thursday morning.

Thursday 5th March – World Book Day - Dress as a character from your Year groups authors.

Thursday 26th March – Spring Term Disco (letter sent out on Monday 24th February)

Friday 27th March – FS1 Transition Afternoon

Friday 3rd April – Break up for Easter Holiday

Monday 20th April – Staff Training Day

Tuesday 21st April – Children back to School

Please note next week's Year 6 SATs Café is now on Wednesday after school.

More dates, times and details to follow.

Parents' Evenings

Thank you to all the parents and careers who attended our Parents' Evenings this week. They are very valuable for us as teachers as we felt it is important to share information with you and keep you up to date with your children's progress.

We had many positive comments for which we are grateful. However, if you are worried about anything now you have had a chance to think about it at home and need further advice about ways you can support your child don't wait until next time make an appointment to see the class teacher to discuss what else can be done.

Radio Anlaby – What people are saying about it!

The Anlaby Radio APFM has gone down well locally, nationally and internationally!!! If you haven't listened yet read the comments and then log on to our website to see what all the fuss is about.

Gary Holgate (drummer and studio engineer) I just listened over the airwaves (optical fibre > air waves > satellite > air waves > optical fibre) from 10,000km away in Taiwan. Great show. I really enjoyed the catchy intro and found the stories very interesting and kept my attention. The presentation was very professional, great work 10/10.

Claire Powell (local teacher) A great radio show. I really enjoyed listening to everyone read and share their books.

Judith Williams Great work Anlaby, I love the theme song too! Listening in Barcelona.

Sally Vic I loved your theme tune; the reading is great. Sounds like you have some fun books to read, and sad ones too! I wished I had learned about Anne Frank at school.

Rebecca Cardy I just listened to this with my 3 children. All the children are doing an amazing job and we look forward to listening to the next broadcast

Kirsty Hart (Local teacher) Awe love it! Great to hear the local Hull accents on here.

Matt Appleyard Very cool!

I would like Mr May to know...
