*'Ambitious, Proud, Successful'*

## NEWSLETTER 6<sup>th</sup> March 2020

### This Week's Data Whole School Attendance

95% - Satisfactory

Well done to Inkpen, who had an attendance of 100%, and Hergé, who had an attendance of 98%.

This week's winners of the Anlabee Challenge were **Team Johnson (the Green Team)**.

### Coronavirus

We are getting regular updates from the Government regarding what to do with regards to coronavirus. The best advice is still to wash your hands regularly and catch coughs and sneezes in a tissue. We are encouraging the children to do this and have hand sanitisers in school as well. The following link has more information.

<https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19/guidance-to-educational-settings-about-covid-19>

### This Week

Simmons have been adding musical accompaniment to the story of 'We're Going on a Bear Hunt'. They have had great fun using a range of different instruments.

In Inkpen and Rosen Mrs Gibson has been crawling around on the floor making maps of the Bear Hunt. The children have then been programming the Beebots to follow the maps. In Maths they have been investigating which numbers can be halved and which can't.

Sharratt and Donaldson have been finding out about the five senses in Science, and which parts of the body are responsible for helping us see, hear, touch, smell and taste.

Potter and Ahlberg have been writing setting descriptions inspired by their reading of 'James and the Giant Peach'. In Science they have been looking at the life cycle of a frog and classifying animals.

Murphy and Dahl are excited about starting to read 'Charlie and the Chocolate Factory'. They are really enjoying designing their own chocolate buildings so they can describe them in their writing.

Morpurgo and Kinney have been finding out about what the Romans ever did for us. They have been looking at what is still around from the Roman period.

Hergé and Walliams have been trying to persuade Nathan Quirke (the character from their class novel) not to publish where he has found the Benben stone.

Shakespeare and Rowling have started their new Science topic on electricity.

### Social Media

We have had to deal with a number of serious issues this week that have involved children at our school.

This has involved children saying unpleasant things to each other online that has caused problems in school.

May I remind you that to use services such as Facebook, Snapchat, Twitter, Instagram, Musical.ly and Skype the children have to be 13 years old and WhatsApp is 16 years old. If you wish to know more about this try the following link.

<https://www.saferinternet.org.uk/blog/age-restrictions-social-media-services>

These age limits are there to protect children's privacy but also to help keep them safe online.

If you do allow your children to use social media services I would recommend you monitor them carefully. Further information is available on our website.

### Lunch Menu W/C: 9<sup>th</sup> March 2020

### View from the Classroom Floor

This week Year 6 have been doing some graph work. This has helped in their Science work as they have been looking at electricity and electrical circuits.

This week has also been World Book Day and there were some truly amazing costumes on display.

We hope you had a great day and learnt lots about your class author when you were putting your costume together. Maybe you can now go and find some of their books in the library and read them.

Honey, Lola, Joe, Sophie B and Betsy.

### This Week's Staff Meeting

This week staff from the Local Cluster Schools got together to look at writing.

It is a great way for us to work with teachers from the other schools to share ideas and ensure that the standard of work is consistent across the schools.

### Dates for your Diary

Friday 9am each week – New Whole School Celebration Assembly. Look out for your text invite on a Thursday morning.

Friday 20<sup>th</sup> March – FS1 Transition Morning

Thursday 26<sup>th</sup> March – Spring Term Disco (letter sent out on Monday 24<sup>th</sup> February)

Friday 27<sup>th</sup> March – FS1 Transition Afternoon

Friday 3<sup>rd</sup> April – Break up for Easter Holiday

Monday 20<sup>th</sup> April – Staff Training Day

Tuesday 21<sup>st</sup> April – Children back to School

More dates, times and details to follow.

### World Book Day

I liked doing the paintings of butterflies, frogs and caterpillars.

I enjoyed writing a letter from the frog to the butterfly to say sorry about why he changed.

I enjoyed doing hot-seating based on the tadpole story. I got to be both the tadpole and the caterpillar.

I redesigned the Tuesday story as a comic strip and loved seeing everyone dressed up as all their favourite story characters.

I loved adding further adventures for Tuesday in our writing and doing the drawings to go with them.

I loved getting the chance to read lots of different stories.

### The Hive Out of School Club

This week we have started to explore the Year 1 'Superheroes' topic. We have made caricatures of ourselves and our friends as superheroes and designed wooden action figures.

The lighter nights are enabling us to spend more time outside where we have enjoyed bowling, learning yo-yo tricks and preparing our garden for springtime.

We celebrated World Book Day with a book themed quiz night. Congratulations to Mrs Emanuel's team who continue their winning streak.

We are now taking bookings for the Easter Holidays.

In the great table tennis tournament of May versus May – May senior still retains his title of family champion!

For more information email [thehiveanlaby@gmail.com](mailto:thehiveanlaby@gmail.com) or check us out on our Facebook page or Twitter.

Have a great weekend.

Miss Stanley

I would like Mr May to know...
