

Saint Margaret Mary's Catholic Infant School Newsletter

Friday 17th April 2020

Dear Parents, children and friends,

I hope this newsletter finds you all safe, well and happy. The weather continues to bless us with lots of sunshine and warm. My garden is beginning to blossom and my children have been enjoying playing outside on their trampoline.

Thank you to Jace and Elsa. Their mum sent a wonderful email to school to show how they were remembering Good Friday and Easter by creating a beautiful cross of blossom flowers in their garden. Thank you so much for sharing this with us. It really made Mrs Maddocks and I smile. It is lovely to hear about what you are doing at home.

This is a special pledge to the parents of keyworkers. Please complete the survey link below. This will only take a minute but means I can plan for the appropriate number of staff to be in school each day. Without correct numbers, staff are coming to school when they would be much better staying at home or we could end up with too few staff for the children attending.

Many of you will have received letters or emails this week about your child's school place. Please remember school is open each morning from 9.00a.m. to 11.00a.m. should you have any questions or queries about this.

IMPORTANT MESSAGE FOR KEY WORKERS

It is vitally important that we know when and if you wish your child to attend emergency childcare in school. Please complete the surveys which are sent out. This will ensure that we have the correct staffing each day and as many of our staff as possible can stay safely at home.

Here is the link for the weeks beginning 20th and 27th April;

OFFICE HOURS

The school office is open each day for enquiries each day from 9am-11am.

Outside of these times, the telephone may not be answered, please use the school email address or the contact form on the school website and someone will get back to you.
