

Starting school is a new adventure. It would be very helpful if you could talk to your child in an encouraging way about it, so school is a happy experience for everyone.

'Readiness for school' means that the children are supported in being :

- independent and being able to care for themselves
- confident to make choices and say what they want or need
- comfortable to talk to adults and other children
- happy to build relationships and friendships
- curious and eager to find out about the world

Please help your child with following skills:

Dress and undress themselves

Hang up their coat, hat and scarf

Use the toilet and flush it afterwards

Wash and dry their hands

Use a handkerchief

Share toys and take turns

Tidy up

Be confident to try new activities
