Friday 24<sup>th</sup> April

Dear Parents and Carers,

I hope that all your family are well and that you managed to have some rest over this very unusual Easter break. Teachers across the school have spent time over the last few weeks preparing new Home Learning packs for your child and this week have managed to photocopy them all. We are hoping to deliver these to you on Monday or Tuesday morning next week. We continue to also support your child's learning through Class DoJo, Sir Link-a-lot and Times Tables Rockstars.

We now have an electronic link to the Week Junior, a current affairs magazine which we normally subscribe to. It includes a range of interesting articles for you to read or to read with your child. If you click on the link or copy it into your browser you will be able to access and read the magazine.

The Week Junior Link : <https://en.calameo.com/read/0061880956b973aee305d>

Thank you for all you are doing at home to support your child while juggling everything else. We are very mindful as a school that everybody's situation is different. Please don't feel pressured to complete every activity in the packs or to complete learning activities hour after hour. You continue to be best placed to decide how much your child can do each day, alongside everything else going on in your house at the moment. **Be proud of yourselves- you are doing a really great job!**

As a school we are also supporting different organisations and charities within our local community including the Children's Centre during this unprecedented time. We have turned different areas of our school into a Hub, collecting donations of clothes, baby products, nappies, toiletries and food. Any donations are gratefully received and you can email the school office if you would like to support us with this.

Again, thank you for your continued kindness and support during these testing times. Make sure you look after yourselves as well. Please do not hesitate to contact me if you have any questions or queries. Take care and Keep Safe!

Kind regards, Claire Parfitt, Headteacher
