Task 3

‘Culture’ means the activities and behaviours considered normal within a community. Many things we do every day represent our culture. What types of things can you think of that might demonstrate culture?

Did you think of any of these? Maybe you have some different ones of your own!

Thinking about the different ways to express culture, can you create a poster that celebrates London as a multicultural city? You should include at least 3 facts from task 2 and try to include words from your glossary, maybe you could make these words stand out!
