Monday 27<sup>th</sup> April 2020

Dear children and families,

At Stockingford Academy, we always try to make sure our children have someone to talk to if they have a worry. Staff are always ready to lend an ear and in the classrooms, children have access to worry boxes if they would prefer to write a message instead.

We would like to be able to support our children during these difficult and unusual times whilst most are away from school, their friends and their routine.

With that in mind we have set up a dedicated email address which will can be used by children. It will be monitored by our pastoral team: Mrs Willmett, Mrs Phillips and Mrs Sparrow from Monday to Friday.

Don't forget to look at our website, Facebook page and Class Dojo for Thrive ideas and activities to keep you going until we can all be together again.

The email address is [PastoralSTO@welearn365.com](mailto:PastoralSTO@welearn365.com)

Take care and keep safe,

from

*Mrs Bowser, Mrs Sparrow, Mrs Willmett and Mrs Phillips*
