Nature of support 2013/14
<ul style="list-style-type: none"> • Additional TA support delivering interventions to children in class1 for 8.5 hours a week. • Additional TA support delivering interventions to children in class 2 for 5 hours a week and teacher time for 3 hours per week • Additional TA support delivering intervention to children in class 3 for 14 hours a week and teacher time of an hour per week.

Curriculum focus of PPG spending 2013/14
<ul style="list-style-type: none"> • All TAs are delivering carefully targeted interventions to PPG children. • Current interventions for Y5/6 Catch up numeracy, Switch on Reading, Springboard maths. • Current interventions for Y3/4 are Catch up Numeracy, Quest (Reading), FLS (Literacy) • Current Interventions for Y1/2 are Catch up Numeracy, Switch on Reading, Acceler Read/ Write, Five minute box for numeracy. <p>These are all in addition to other interventions delivered within the class by both the teacher and TA. They are funded through PPG.</p> <p>We are allowing the Foundation children to settle and at the end of Autumn 1 will start to identify which children might benefit from an intervention.</p> <p>PPG is also funding a full day of teacher time. The current use of this time is children who have just moved into Lower Key Stage 2, are on the PPG list and would benefit from basic literacy and numeracy skills being developed. The teacher is also delivering extension work session to our more able PPG.</p>

Measuring the impact of PPG spending

- Each term we analyse the progress made by all children including the Pupil Premium children as a group.
- At the end of 2013 pupils eligible for PPG funding had made progress at least equal to that of other pupils.
- Interventions are targeted carefully to match the needs of PPG based on data analysis and consultation with teachers and parents.
