

MOSTON LANE COMMUNITY PRIMARY SCHOOL WEEKLY NEWSLETTER 1st May 2020

Weekly message to our Moston Lane Family:

This week, so many of the teachers have spoken to me about the amazing work being completed at home. Please keep this up and keep sending pictures of your work into school. Remember if you are struggling with any of your learning do not hesitate to email your teachers.

Take care and stay safe.

Mrs Kerton

Destiny**

**Year 6: Eliesa, Daniel and
Anthony**

Phone calls home

Our staff have been making phone calls to keep in touch with all of our Moston Lane children. This is something that we will continue to do each week to speak with them during this time of uncertainty.

These calls are as important to the staff as they are to the children to keep us smiling.

One Education Educational Psychologists Support at home

Helpline number: 0161 276 0118

From Thursday 23rd April, One Education's Educational Psychologists are providing a daily helpline (1 – 3pm) for parents/carers of children and young people with special educational needs and Disabilities (SEND) in Manchester schools and early years settings.

They are offering a problem-solving phone conversation relating to educating children at home and responding to issues relating to learning, behaviour, anxiety and mental health needs.

Thought of the week:

“You are kind, you are smart, you are important”.
