4th May 2020

Dear Parents/Carers

I hope everyone is still remaining fit and healthy. Thank you again for all the messages which have continued to come in and for the wonderful response to the video we sent out just over a week ago. Emails will be returned when they come to us. Thanks also for the gifts that have arrived to keep children and staff who are in school going, it's hugely appreciated.

Can I again ask for parents to contact us if they require their children to be in school on the weeks beginning 11th and 18th May. If you need to send children in this week, could parents can still let us know. We are open on Fridays bank holiday, but won't be setting work that day, or having a before and after school club. Any messages regarding children coming into school need to be emailed in the usual way.

Week beginning the 25th May will be the start of half term. The school will continue to be open to children whose parents are essential workers, for those 2 weeks. We won't be putting work on the website at that time or running a before or after school club. I will ask in 2 weeks for parents to send in when they need us during that time.

We are preparing changes which would need to be made when we return fully or partially. If we do have reduced numbers and children do a week in school and a week away, we will obviously ensure siblings are in together for a given week. As soon as we have news about this matter, I will let parents know.

Finally, keep safe everyone, keep emailing and tweeting and hopefully we will see each other soon.

Yours sincerely

Ian Southern
