### Celebrations

No Home Learning tasks set over the Easter holidays, however a very big well done to the following children who have been chosen by their class teacher during this time for **excellent work, achievements or communication.**

#### Infants

##### Reception – Emeli Caulfield

for reading independently for the first time – mum sent a photo of Emeli reading to her daddy at his grave in the cemetery. Big girl making daddy proud. Little star!

##### Year 1 - Rueben Lewchenko - Pugh

for writing his own prayer of HOPE over the Easter holidays.

##### Year 2 – Thomas Peake

for making a detailed recipe for a smoothie and creating a picture on the computer to go with each instruction.

#### Juniors

##### Year 3 – Angelica Flanagan

for playing her trombone for the NHS on Thursday night.

##### Year 4 – George Wilson

for completing his Spanish hopscotch.

##### Year 5 – Brooke Collier

for completing a brilliant online general knowledge quiz.

##### Year 6 – Robert Speakman

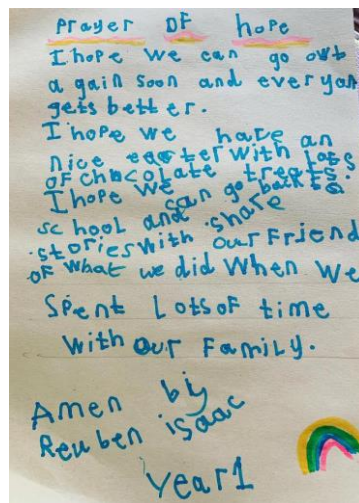

for completing David Walliams' Elevenses and fun Easter activities.

Hope you all enjoyed your Easter together albeit different this year.

We are back to Home learning next week. Please remember; little and often so as not to 'stress yourselves or the children.'

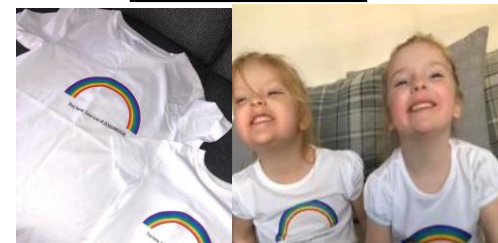

### Gorgeous children below showing acts of kindness

So whilst Ems off school and disappointed about missing the school Easter disco we've decided we're going to do our own help for school.

So we're doing these stay home, stay safe t-shirts can do them in all sizes even baby Nichola has one 😊 everything made from the shirts will go straight to St Joseph's primary school in Leigh.

If anyone wants to help our Em out to help the school keep on their feet and maybe do something special for the kids when they go back then give us a shout. We've already done some and I've done her a page for them called Ems big print out.

Kids are £10 and adults £12.
