With faith, we care, share and learn together.

Monday 11th May 2020

Dear Parents & Carers

I am sure that many of you, like me, watched the announcement by the Prime Minister last night. Judging from the questions raised afterward by many people on television coverage, it left some uncertainty about schooling now and in the coming weeks.

I am waiting for further clarification later today or tomorrow from both central Government and Derbyshire Education Authority regarding school opening.

The questions posed are not easy to answer, and any return will be far from a normal school day. I will have a plan in place before the end of this month to cater for those children who are deemed eligible to attend. I will update you as soon as I am confident that things will remain unchanged for at least a few days.

In the meantime, school remains closed as it has since March, with the same guidance.

If **one parent** is a keyworker they are entitled to care provision at school if no other care is possible. If these families do not require childcare initially but this changes at a later date, they can inform school and I will plan provision to meet the needs of the family.

At the present time I have confirmed two school places under these circumstances. Staff will be at school on Tuesday morning and school can be contacted by email before then to discuss emergency care.

The situation continues to change so I will try to keep you informed of any further developments as I become aware of them.

As always, if you need a chat about anything at all, please let me know.

Geoff Wharton
