11th May 2020

Dear Parents/Carers

I hope everyone is still remaining fit and healthy. As I said in the clip on Friday, it was a real pity we couldn't do more to celebrate VE Day.

I'm sure you are all aware of the statement given by the Prime Minister last night. We, like you, have only just seen the announcement. At this stage we cannot answer all the questions you will have. We are waiting to receive more information from government about what this means for schools. I will be sending another newsletter later this week regarding arrangements for more children returning and when this will be.

Today would have been the beginning of SATS week for year 6, these tests, just like year 2 SATS, year 1 phonics screening tests and year 4 times tables tests, won't now take place. In the case of the year 6 children, we will be passing on our own assessments for children, to secondary schools. We have already had conversations with them to discuss the children who will be with them in September.

Can I again ask parents to email us, if they need their children to come into school over the next 2 weeks, as well as any before or after school provision required. We will continue to put work on our website and staff will respond to emails.

We will be open during the 2 weeks of half term, but only from 8:40-3:15 and we wouldn't be putting work on the website at that time. I will ask parents to contact us about those weeks from next Monday.

Thank you to everyone for the continued support and patience. As I said I will come back to you as soon as I know more regarding the children's return to school.

Yours sincerely

Ian Southern
