17th March 2020

Dear Parents/Carers

COVID 19 update

We would like to thank you for your unstinting support yesterday, helping us to respond to the guidance we received from Public Health England. All your positive comments were very uplifting at such a difficult time and the actions of those collecting the children, particularly from our Early Years Foundation Stage, enabled the remaining departments of school to continue as normal in accordance with **governmental instruction**.

Following the 'deep clean' of the EYFS department, we still anticipate that this area of the Academy will be open as usual from Thursday 19th March, providing we have sufficient staff numbers for Health and Safety supervision ratios. If the situation changes and/or worsens, we will, of course, keep you informed by email and text message, should there be a need to close this, any other department or indeed the whole Academy. However, we will only do this through necessity and we will make every effort to comply with the current advice of the government.

We are urging parents and colleagues to inform us by email of any emerging need to self-isolate due to symptoms or circumstance. This will be very much appreciated and will ensure we are able to make clear, informed decisions about staffing levels and requirements. Please do get in touch **directly** via office@westerton.org.uk.

Thank you again for your understanding and support, we do urge everyone to follow guidance, medical advice and continue promoting vigilant hygiene throughout our community.

Yours faithfully

Stephanie Makin

Principal
