

Questionnaire – Regarding Proposed Phased Return to School

Parent Name:

Child/s Name:

Year Group/s:

After reading the short letter attached to this questionnaire would you kindly answer the following questions in order for us to gauge the potential numbers that we may need to plan for the remainder of the summer term.

Currently the proposed dates for a phased return to school are as follows:

- Reception, Year 1 & Year 6 – Monday 1st June 2020.
- Year 2, 3, 4 and 5 – Monday 22nd June 2020. This is an approximate date which will comply with the government's ambition that all classes return to school before the summer holidays, if feasible.

In order to comply with strict government guidelines school will be a very different place for the remainder of this term and we respectfully remind you that should your child return to school they will be in smaller groups and they may be working in a different classroom with their work delivered by a teacher from another year group or a member of support staff under the teachers guidance.
