

Read the text about Monet and type 3 key facts about him.

Type 2 cognates or near cognates from the text

Né en 1840
Nationalité : française
 Il peint beaucoup de paysages et de portraits. Les impressionnistes comme Monet sont parmi les premiers peintres à peindre directement devant le paysage, en plein air. Il peint souvent plusieurs fois le même paysage à des heures différentes de la journée. Ce qui intéresse l'artiste est le jeu des lumières, des couleurs et l'impression de l'œil.

Mort en 1926

Water lilies – Monet painted a series of these paintings. Describe this one using 5 French colour words. Je vois (I see).....

Le Musée de L'Orangerie is an amazing Museum in Paris. It displays some of the Water Lily art works.

Take a virtual tour and describe what you can see.
