SATs WEEK

This week should have been SATs week for our lovely Year 6 children. We know how hard they have been working in preparation for their tests and are so proud of them. Our teachers have sent them some lovely messages on the year 6 page if you would like to take a look.

Well done Year 6!!!

Pen Pals

Mrs Livesey has been in touch with Miss Peyral with the idea of exchanging emails with her pupils in France to share your experiences of home-learning during lockdown.

Children in France are in the exact same situation that you are - schools are closed and they are doing their best to stay at home and protect people.

Why not ask them to tell you what it's like for them and explain what it has been like for you?

Some of our pupils have had an opportunity in the past to write to pupils in France, it is a fun way to practise your French skills! If you are interested in getting involved then email Mrs Livesey at mfl@mostonlane.manchester.sch.uk and she will help you get started.

You can write in English, French or a mixture of both, whatever you feel most comfortable doing! Mrs Livesey will then pass on your email to your pen pal to ensure that no personal information is shared - remember to stay safe when working online.

Thought of the week:

"Kindness is the mark we leave on the world".
