Dear Parent/Guardian

LATEST GUIDANCE ON RETURNING TO SCHOOL

Since Monday, our Liverpool Steering Group of Headteachers and Steve Reddy, Head of Children's Services in Liverpool, have been examining the logistics of reopening our schools as per the Government and the DfE agenda.

Last night, we received notification from Steve Reddy and the Steering Group about the opening of Liverpool schools.

Please see the attached letter which explains that we will only open our schools when it is safe to do so, and why Liverpool schools will only be opening on the **1st June for the children who currently attend a school Hub**. This is key worker children and vulnerable children who have been allocated a social worker. A letter to these children will be sent out separately.

Kind regards

L Melia
Headteacher
